

18 Hole Championship Golf Course

From the time you tee up on the first hole, you'll fall in love with our semi-private 18-hole, par 72, 6,570 yard championship golf course. Expertly designed by world renowned architects Dick Wilson and Joe Lee, this traditional layout will challenge the experts, while accommodating the novice. With a moderate number of water hazards, over 50 strategically placed bunkers, and a variety of trees throughout the resort, you will enjoy the aesthetically pleasing nature of our course.

Beneath it all, we have an extensive drainage and irrigation system which keeps our course playable when others in the area are not.

Our Professionally staffed pro shop features top-of-the-line golf equipment as well as the latest fashions in golf and tennis apparel. The resident P.G.A. Professional is on hand to give private or group lessons, and will find you a four-some if needed. Our lighted night driving range and putting greens help you warm up your game before you hit the course or fine tune it afterwards.
